Shanghai and its Commercial Real Estate Market are unique in many respects. Did You Know...

- Shanghai is largest city in the world with a grand influence in commerce, culture, finance, media, fashion, technology, and transport.
- The city is the commercial and financial capital of the country with over 787 financial institutions.
- Since 1992 Shanghai has recorded double-digit growth almost every year except during the global recession of 2008 and 2009. In 2010, Shanghai's total GDP grew to 1.687 trillion RMB (US\$256.3 billion) with GDP per capita of 76,000 RMB (\$11,540).
- New retail and office developments were launched on both sides of the river and supply was matched by demand from firms recovering from the economic crisis and expanding
- Shanghai has an extensive public transportation system, which includes metros, buses, and taxis. It's metro transit system has over 273 stations and 420 km of tracks, making it the longest network in the world.
- Shanghai is a leading gateway for air transportation with two international airports, which has served over 71.7 million passengers and 3.7 tons of cargo in 2010.
